

# User Services

**Summer 2004**

## onCampus: Logging In

onCampus is designed to enhance personal productivity by providing customized and personalized access to a variety of university systems and information. onCampus offers single sign-on access to such Web services as Banner Web, WebCT, NetID@msstate.edu email accounts and personal calendars. This factsheet provides step by step instructions for logging in to onCampus.

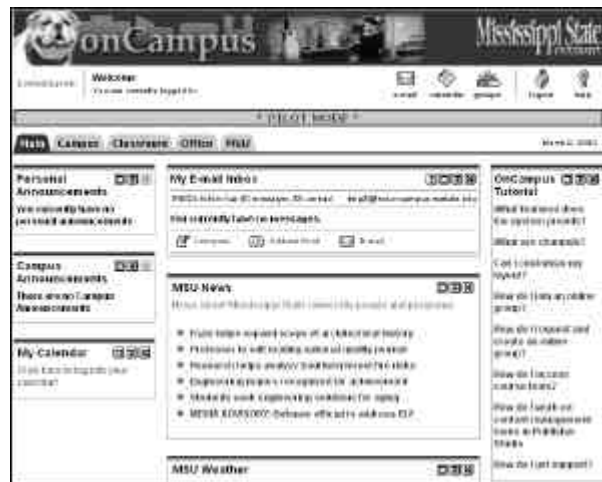

1. In your Internet browser (e.g. Internet Explorer) type in the URL for onCampus:  
**oncampus.msstate.edu**

2. At the **Welcome Page**, log in using your **NetID** and **NetPassword**. Click the **Login** button.

3. Congratulations, you have successfully logged into the university's Web portal environment, onCampus.
