Autodesk 2015 Installation for Windows

1. To install **Autodesk 2015**, insert the **Autodesk Master Suite 2015 flash drive** into the USB port on your Windows machine, navigate to the **MSEDU** drive on your computer, and run Setup.
2. In the **Autodesk Education Master Suite 2015** window, click **Install**.

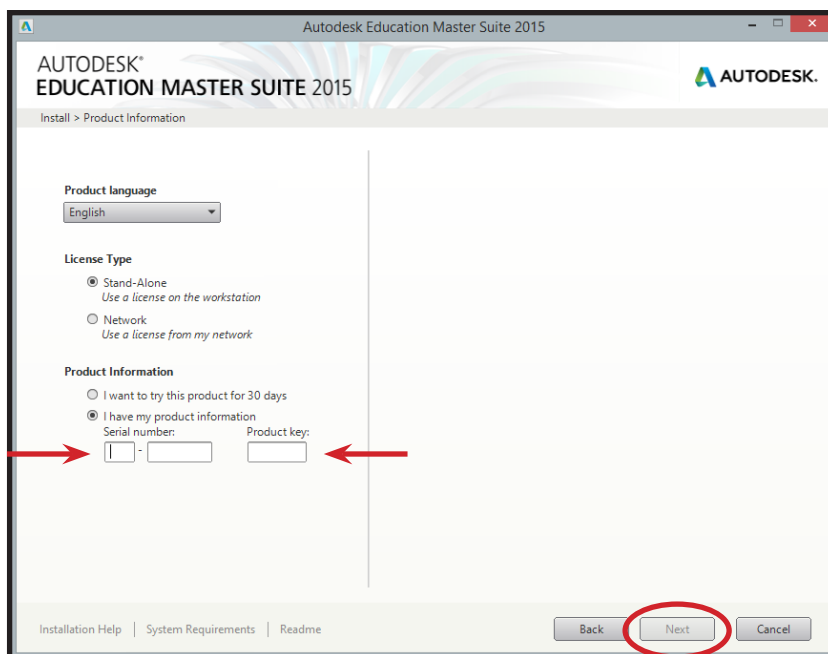

3. In the **License Agreement** window, click **I Accept** and then click **Next**.

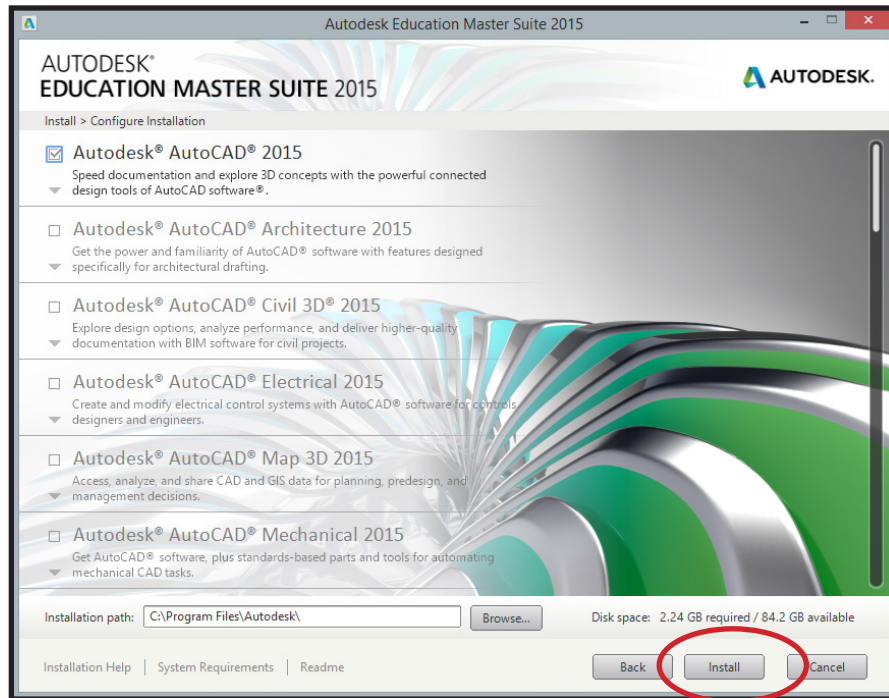

4. In the **Product Information** window, enter the **Serial Number** and **Product Key**. These are located in the **Autodesk 2015 Master Suite Key PDF** on the flash drive. Click **Next**.

5. In the **Configure Installation** window, choose which Autodesk programs you wish to install and then click **Install**.

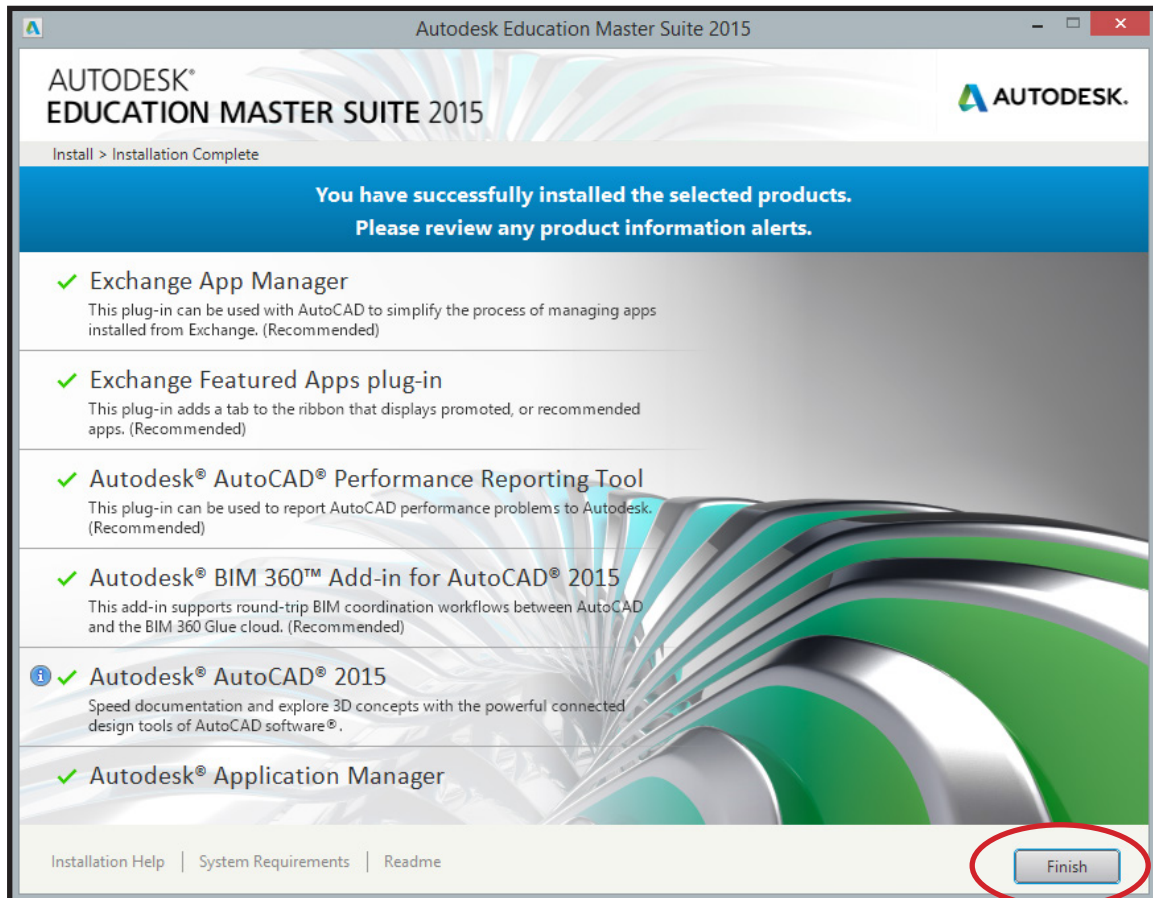

6. The progress of the installation is visible.

7. In the **Installation Complete** window, click **Finish**.

8. Return the installation flash drive to the ITS Help Desk in 108 Allen Hall.
