Forwarding BullyMail (Students)

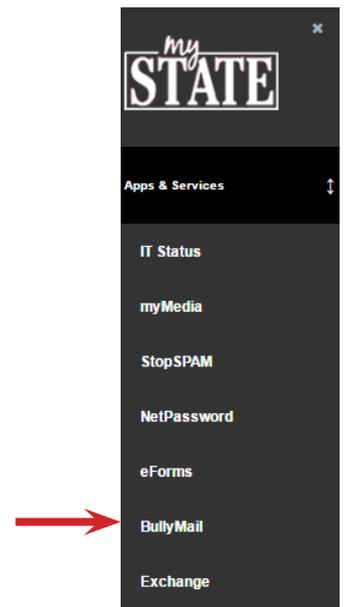

powered by Google

BullyMail is the MSU student email environment, powered by Google. This includes the familar Gmail interface (Email, Contacts, Address Book, Calendar, and Docs) and maintains the *netid@msstate.edu* email address.

To foward your MSU student email:
1.   Log into myState with your **NetID** and **NetPassword**.

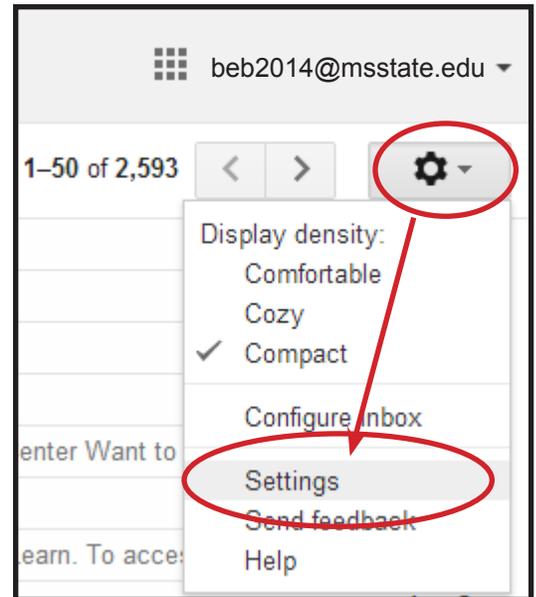

2.   Click the **BullyMail** link in the sidebar menu.

3.   Click and hold the **Settings icon** and select **Settings**.

4.   In the **Settings** window, select the radio button next to **Forward a copy of incoming mail to**, and in the field enter the email address where you want to apply the forward.

5.   Click the **Add a forwarding address** button

6.   Scroll to the bottom of the window and click **Save Changes**.

7.   The forward is now in place. To remove the forward, repeat the steps and choose the **Disable forwarding** radio button**.**
