

Microsoft Edge (Windows) Clearing Cache and Cookies

This document explains how to clear the cache and cookies in Microsoft Edge.

1. Click the 3-lined **Hub** button in the upper right portion of the screen. Click the clock-shaped **History** button. Click **Clear History**.

2. In the **Clear browsing data** window, check the box next to **Browsing history**, **Cookies and saved website data**, **cached data and files**, and **Download history**. Click the **Clear** button.
