STATEMENT OF UNDERSTANDING FOR ALL BANNER WEB USERS

1. I agree that access to the Banner Web for Student/Faculty System and its data shall be used for authorized University business only. I agree that I am responsible for the proper use of the information to which I have access and that I will share this information with others only as required by my assigned duties.
2. I understand that unauthorized activity, to include use for monetary gain, jeopardizing legitimate use, providing resources or information to unauthorized persons, or conducting illegal activities, may result in disciplinary action and/or prosecution under the scope of applicable laws.
3. I agree that I will maintain the confidentiality of my NetPassword to protect against deliberate or accidental access to Banner Web for Student/Faculty by unauthorized users.

STATEMENT OF USE OF STUDENT DATA

The information available through the Banner System is, by law as well as University policy, confidential, and may not be used by anyone except as officially authorized.

I accept responsibility for the appropriate use of student data provided by this system, and to that end, I agree to adhere to the following guidelines:

Student information made available through this system will be used only for student academic advising or to support the internal college, school, or departmental functions. The system is not designed or intended to support research; therefore, it should not be used as a database for research projects whether requested internally or externally. Such data must be obtained from the Registrar's Office or the Office of Institutional Effectiveness, as appropriate.

All requests for verification of student records or other student data from Mississippi State University units with no academic advising, faculty responsibilities, or administrative student support responsibilities, and therefore no direct access to the Banner Web for Student/Faculty system, must be referred to the Registrar's Office. Any such requests from individuals or agencies outside the University must also be referred to the Registrar's Office.

If the student is unknown to the Web user, request to see the student's ID before releasing or discussing any information with the student.

If a student's record flashes *CONFIDENTIAL*** DO NOT release information to anyone. This student has requested that their information not be released under FERPA guidelines.**
